

Procuring ENERGY STAR® Residential Light Fixtures the Easy Way

Here are a few ways to procure ENERGY STAR® Residential Light Fixtures quickly and easily:

Contact your lighting and electrical distributors and ask to review their portfolio of ENERGY STAR labeled light fixtures.

Contact ENERGY STAR labeled light fixture manufacturers directly. Ask them to send you catalog information and cut sheets. New fixtures are being added all the time! The manufacturers are listed at www.epa.gov/appdstar/fixtures/partners.html.

Copy and paste the specifications for ENERGY STAR labeled light fixtures directly into your organization's procurement manual. Specifications are available at www.epa.gov/appdstar/purchasing/res_lighting/indoor_outdoor.htm#spec.

Purchase other ENERGY STAR labeled home and office products and equipment. Visit the ENERGY STAR Purchasing web site at www.epa.gov/appdstar/purchasing.

Need more information?

For more information on procuring ENERGY STAR labeled fixtures, contact:

Ian L. Todreas
